

The Commonwealth of Massachusetts
Department of Developmental Services
Family Support

The Department of Developmental Services “DDS” is inviting all families to a two hour input session to assist us as we prepare for future services in Family Support! The Department is very interested in your thoughts, experiences and ideas about our Family Support Services including our:

- Family Support Centers
- Autism Support Centers
- Family Leadership Series
- Medically Complex Programs
- Linguistic/Cultural Support Centers
- Intensive Flexible Family Support (IFFS) Programs

Family support strives to achieve the goal of helping families stay together through developing families’ natural capacity to meet the needs of family members, offering additional supports such as staff resources, goods and services, and financial assistance; and enhancing the capacity of communities to value and support people with disabilities and their families.
