

CHARLES RIVER CENTER

PRESENTS:

## Legislative Advocacy

Join us in welcoming

**Maura Sullivan**

Director of Government Affairs  
from The Arc of Massachusetts, and

**Kathleen Amaral**

Advocacy Alliance Coordinator  
for the Arc of Massachusetts

So many families care for their loved ones with disabilities at home,  
and they rely on a variety of support services to do so.

That is why The Arc of Massachusetts is making supporting families  
and workforce issues (such as recruiting, training, and retaining)  
its legislative priorities in 2019.

Join us for this informal conversational gathering  
to share your stories!

**October 29, 2019**

**6 pm to 8 pm**

**4 Strathmore Road**

**Natick, MA**

Please RSVP by October 25th
